Aflac is insurance that pays cash benefits directly to you if you're sick or injured\* —cash to spend any way you want. It can help cover things major medical insurance doesn't pay for: like your mortgage, car payments, groceries, or anything you need.

Aflac also:

- Pays fast—with most claims processed within an average of four days.\*
- Pays even when you're healthy—many plans provide benefits for routine preventative care.
- Belongs to you, not your employer—and can travel with you to another job.

\* Benefits are paid directly unless otherwise assigned by you.
