I.C. School helps each child know:

God loves you and wants you to learn and grow!

At I.C. School we believe that every child is an important member of the Christian Family. Children learn best when they feel at home, in a place that is safe and welcoming, a place that encourages them to see themselves as the wonderful person that God had in mind all along.

Like all successful families we encourage our family members to do their best. We establish safe boundaries through discipline and respect. Quality education for Grades K thru 6.

I.C. offers:
