

Youth Leadership Mercer County held their graduation program at Wright State Lake Campus on Sunday, April 13<sup>th</sup>. Welcoming the students and their families was Dr. Jim Sayer, Dean at the Lake Campus. With students from each of the six Mercer County High Schools, a total of sixteen students participated in the program this year. One day a month from August through April, the students traveled with business leaders to various businesses, government agencies and local schools. In addition to the one day a month class, the students mentored in a profession in which they were interested in. At the graduation program the students gave a brief presentation on their mentoring. Students received three college credits from Wright State University for completing this class.
