Well this was not a normal newsletter for us. I began writing this last month while working in my basement. I was saddened with the realization that I really did not have much to report. This pandemic has affected us all in many ways and I was beginning to feel a bit tested. I felt tested while I tried to stay patient with my teenagers who were trying to navigate this new normal, I felt tested sharing an "at home" work space with my husband, I felt tested as I worried about all of you! In addition to wanting everyone to stay healthy, we wanted our businesses to survive. I commend everyone for getting thru this time. If I have learned anything from this is that we all have different feelings on this...some are scared to be out in public, some are upset about their business suffering or being unemployed, grandparents miss their grandchildren, seniors want to graduate! Whatever the reason, they are all important. So, I have learned what may be small to one person may be huge to someone else. I encourage everyone to continue to support one another as we begin to reopen...be a friend, offer help, support locally. It is our time to shine. I am so proud to be from Mercer County because we are STRONG!!
Wishes to you all for health and happiness!

Chamber Banquet Recap

Another Celina Mercer County Chamber Awards banquet has come and gone, and it was just a perfect night of celebration. Dancie Mohler warmed the hearts of our audience as she emceed the event wonderfully. After a delicious dinner provided by Perfect Party Catering, we enjoyed a fun and energetic presentation by Dr. Mike Thomson. Dr. Mike had the crowd laughing as he shared strategies for keeping your sanity. It was enlightening and entertaining at the same time. And to end the evening we were honored to award some very deserving people who do great things for our community. We began the awards portion of the night honoring Stammen Insurance Group. Stammen's received a service award for recently celebrating 100 years in service to our community. Cody Muhlenkamp accepted the award on behalf of Stammen Insurance Group. We thank Stammen's for being such an important part of our community.

Cody Muhlenkamp

Zedla Zizelman

We then honored our Humanitarian of the Year. Our humanitarian was selected for her work and commitment to the St. Peter's Center for Neurological Development. Zedla Zizelman is very generous and giving of her time and talents to better the lives of others. She loves what she does and has such an impact on the lives of all those she encounters. We were so honored to surprise Zedla with the Humanitarian award.

The Achievement Award was given to two groups that led the community to recovery after the Memorial Day tornadoes last May. Pastor Craig Flack of the Celina First Church of God and Pastor Jeff Gramza of St. John Lutheran Church were both honored for playing such integral roles in providing for our community during the tornadoes. These two churches became donation centers, command centers, distribution centers, and so much more...just to do what any person should do. But they left such an impact on our community for their compassion and generosity that will never be forgotten. Pastor Craig and Pastor Jeff are truly deserving of the Achievement Award.

Giving back to the community that truly supports them is the reason CJ's Highmarks was selected as Business of the Year. CJ's appreciates that people visit their restaurant and they have a philosophy "if we don't take care of our guests, someone else will". They also believe in giving back because "it's the right thing to do". CJ's continually supports local charities by giving back a portion of their proceeds earned. It's something they have quietly been doing but have donated thousands of dollars in the process. CJ's has been a staple in our community, and we appreciate the support they provide to Celina and Mercer County by donating to many local fundraising efforts. Thank you, CJ's and congratulations, on being honored as Business of the Year.

Deb Hemmelgarn

Citizen of the Year is always an honor that we look forward to announcing. The Citizen of the Year is a person who is recognized for working with the community in mind, putting others first, and answering the call to do whatever it takes for the betterment of your business and community. Deb Hemmelgarn exemplifies these standards. While Deb was director of the former American Red Cross Mercer County Chapter, she had the calling to help others and to make sure every person was cared for in some way. She continues that today in her role at Mercer Health as director of the MED Foundation. Deb has worked tirelessly raising funds thru the Racing For Relief, Mad Run, Celina Rotary, and so much more. She consistently puts the needs of others before her own and will always find a way to get the job done! We are honored to call Deb a friend and appreciate all the time and passion she puts in to every project. Deb Hemmelgarn is absolutely deserving as the 2019 Celina Mercer County Chamber of Commerce Citizen of the Year!

Safety Council Update

We were sad to see the March-June Safety Council meetings canceled due to the COVID-19 Pandemic. Ohio BWC generously worked with all of us to change the requirements for this year's members. All Grand Lake Area Safety Council Members should have received an email outlining the requirements to finish the safety year. If you did not, please contact Judy at 419-586-2219. We will be sending out enrollment information soon for the 2020-2021 Safety Year. A discount in fees for the new safety year will be given to all those who were currently enrolled in the 2019-2020 safety year but experienced canceled meetings. Please watch for those incoming emails. We hope you are all doing well and appreciate everything you are doing for your companies and continuing the outstanding safety practices.

Volunteer Week

Did you know that National Volunteer Week was April 19-25? Some people may not know this unless you have volunteers helping your organization. We at the Celina Mercer Chamber are very fortunate to all the people that volunteer their time to help our organization. We are blessed to have a wonderful Board of Trustees that VOLUNTEER their time for the betterment of the community. They are very active in our community and offer their time, assistance, and advice....all for the good of Mercer County. So to them, I am thankful! We also have office volunteers...these ladies are amazing. We have a group of ladies that come in time to time to help assemble the newsletters you are reading right now and to also help with any other type of projects we may have going on. SO much appreciation and thanks go to Suzanne Murlin, Patty Loughridge, and Nancy Kanney. Nancy also volunteers weekly at our office with anything we may need completed. We appreciate everything they do for us and especially the friendships we have made. Thank you to our amazing volunteers!!!

Golf Outing

Normally our annual Celina Mercer Co Chamber Golf Outing is held in May. It's always a fun event with many great golfers representing the awesome area businesses in Mercer County. With the temporary closures of many businesses and the hectic schedule it has created, we have decided to postpone this year's outing until September 4th. We want to give our companies, players, and sponsors plenty of time to "get back to business". This year's outing will be held on Friday, September 4th at the Celina Lynx. This outing will be a welcomed day out and a great way to kick off your Labor Day weekend. Round up your friends, co-workers, or any other golf fanatic to take on the 18 hole shotgun start. Team registration is available now and we suggest you sign up before all spots are filled. This is a fun outing that fills up fast, so don't delay! Registration will begin at 10:45am and the outing begins at 11:30am followed by a cookout. Don't worry, we will have you out in time to attend your local high school sporting events!

If you want to find a way to support the outing, market your company, and keep costs low...consider a hole sponsorship. For only \$50 we provide a sign at a designated hole that features your company logo. There are other ways to participate too. If you are interested in donating an item for the raffle or golfer bags please email me at Stacy@celinamercer.com. We would be happy to come pick up your item at your convenience. Register today and let's all have fun closing out summer with the annual Chamber golf outing!

Farmers Market is Moving

Another season has kicked off with the Celina Farmers' Market. This year the market will be held at the Mercer County Fairgrounds. It was a necessary move to stay in compliance with the Stay Safe Ohio orders and we appreciate the City of Celina and the Fairgrounds helping us thru this transition. The market will

be open every Saturday until the end of September. The hours remain the same this year with vendors available from 9a-12noon. Customers can enter thru the main gates of the fairgrounds off Market street. Currently the market will host vendors with food, produce, plants, and flowers. Other goods such as soaps, crafts, and other accessories will be open once Ohio has begun phase 2 of reopening the State. Please come support these great vendors and enjoy a day at the Farmers Market!

Leadership in Action Class

The Celina Mercer Chamber of Commerce will not be hosting an Adult Leadership in Action Class for the 2020-2021 year. The class normally begins in September, however our current class was canceled for several months due to the COVID-19 restrictions. As we are saddened that we cannot host a class next year, our goal is to complete the current class and offer them the year end graduation they deserve. We've had a great year and we look forward to finalizing plans as soon as we can to close out the current year. We are so fortunate to have these amazing participants from many great local companies. If you are interested in participating in a future program, please contact us at stacy@celinamercer.com and we will be happy to add you to the wait list.
